## WELCOME TO SOUTH FORTY RV PARK

Below are the general rules for our park. A full set of rules is available from the office. We've adopted the motto "Leave No Trace" for our sites and park. We ask for everyone's common courtesy and respect for our property, employees and for everyone staying at the park. We want everyone to have a great time!

**ATV/SxS and Other Motorized Vehicles:** Only licensed drivers are allowed to drive in or around our RV park. You are driving through private property from the time you exit off the highway to our road and to trails from our park. PLEASE be courteous about the noise and speed, and please drive slowly on your way to the trail. Protect the reputation of all ATV/UTV drivers and be a good example for others.

**SPEED LIMIT:** Speed limit is 5 MPH in all areas of our park.

**PETS:** NO aggressive pets are allowed in our park. For everyone's safety, pets **must be on a LEASH at ALL times**, including when in your RV space. **Pets may not be left unattended outside at any time. Please be a responsible pet owner and clean up after your pet.** Please do not throw or leave your leftover pet food on the ground when you leave as it attracts pests. There is a \$50.00 fee to remove and replace gravel to have it cleaned up. This also applies to pet poop left on sites. *We love pets, thank you for leaving no trace, we appreciate your efforts to maintain a clean park for everyone!*

**SEWER HOSES:** All sewer hoses need to have a screw on elbow sewer adapter connection to your sewer hose that connects to our sewer per Utah State Health Department codes. Please be advised that there is a minimum \$250 cleanup fee if there is a sewage spill or plugged sewage lines due to incorrectly attached sewer hose. **NO sanitizing, cleaning or dumping of water tank on the ground. PLEASE use sewer drain for ALL dumping of tanks.**

**FIRES:** Propane firepits are allowed in RV spaces. Wood fires are not allowed in RV spaces. We have several inground firepits on the perimeter of the property for your use for a wood fire. Please No fires if it is windy. Be sure all wood fires are fully extinguished when you are done. Never leave flames unattended.

**BBQ's:** Please do not let grease from your BBQ make a mess on our sites.

**SMOKING:** is NOT allowed in any cabins or buildings.

**ATV & SxS Wash:** Please do not wash in RV spaces. There is an ATV/SxS wash station located across from the office for your convenience (please pay in the office to use the wash).

**NO MAINTENANCE:** **NO maintenance of any vehicles, of any type, is allowed in our sites.** If you must repair something, come to the office and we will direct you to where you can work on your vehicle.

**VEHICLES:** Do not park any vehicles of any kind on our roads or empty RV spaces. We have overflow parking should you need it. The office can direct you where to park excess vehicles.

**PICNIC TABLES:** You are welcome to move our heavy picnic tables. Please do not drag them as this will damage them. If moved, please put them back to their original location before you depart.

**RESTROOMS/LAUNDRY ROOM:** Please use ONLY liquid soap in our washers to avoid damage to our septic system. Minors must be accompanied by an adult while in the laundry and restrooms at all times.

**QUIET TIME:** **Quiet time is from 10:00pm MST to 8:00am MST.** If you are leaving before 8:00am for an early morning ride, or coming in late from the trails, please be considerate of others.

**SITE CLEANLINESS:** Please leave your space as clean as when you arrived. **If a site is left dirty, a cleaning fee will be assessed between \$50.00 and \$250.00 depending on the situation and at managements discretion.**

**FLAGS:** The current accepted flag of the United States of America, State Flags, other federally recognized country flags, current U.S. Military, and Sports Teams are the only flags allowed to be hung or fly in our park. Please be considerate of your fellow guests and do not fly offensive flags or flags with offensive language on your vehicles.

**Wi-Fi:** We provide free Wi-Fi to check your e-mails, bills, etc. The service will not allow for streaming due to limited band width in the area. **Wi-Fi Password** is: \_\_\_\_\_.

**CHECKOUT TIME:** for RV sites & Cabins is 11:00am on the day of your departure. Please contact the park office if you need to request a late checkout by 10:00am on the day of your departure.

**AFTER-HOURS:** **Our After-hours Phone Number can be found posted on the office door if you need assistance or want to bring something to our attention so that we can address it.**

**Thank you in advance for your cooperation in making everyone's stay enjoyable. We hope you have a great time!**
